Interest – This is a variable rate account. The interest rate may change daily at the discretion of the bank. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest on the account is compounded daily and posted to the account monthly. You may call (860) 693-6936 to obtain the current rate and annual percentage yield.

Daily balance computation method – We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Effect of closing an account - If you close your account before interest is credited, you will not receive the accrued interest.

Minimum balance to open the account – There is a minimum balance of \$1,000 to open the account.

Minimum balance to obtain the annual percentage yield disclosed – There is a minimum balance of \$5.00 required to earn interest.

Transaction limitations – Transfers from a money market account to another account or to third parties by preauthorized, automatic, telephone, or computer transfer are limited to six per statement cycle.

Fees – A maintenance service charge fee of \$5.00 will be imposed every statement cycle if the average daily balance for the cycle falls below \$1,000. Fees for other services associated with this account are outlined on our Schedule of Charges brochure.

Overdraft fee – This fee applies to overdrafts created by check, in person withdrawal, ATM withdrawal, or other electronic means. Transactions may not be processed in the order in which they occurred. The order in which transactions are received and processed can affect the amount of overdraft fees incurred.
